

WELLNESS PLAN FOR DOGS

This plan is suitable for healthy dogs over one year of age.

Annual exams and wellness check-ups are the best way to prevent disease and detect early signs of illness in your dog.

Dogs age quickly, so it's important to have your pet checked regularly throughout his/her lifetime. Our Wellness Plan for Dogs is a cost-effective way to help ensure your pet is cared for and that any signs of illness are caught early. Your pet is important to you and preventative health care is key to a long and healthy life. See back for a full list of inclusions.
