Annual exams and wellness check-ups are the best way to prevent disease and detect early signs of illness in your kitten.

The first year of your kitten's life is a busy and important one. Our Wellness Plan for Kittens is designed to help set the foundation for a long and healthy life. We've included everything your kitten needs for preventative care into one plan, and we've discounted the fees to make it more affordable. See back for a full list of inclusions.
